OBJECTIVE

Looking for a challenging career in the domain of education and research on a long-term perspective, and contribution towards the development of the organization all the while.

PROFESSIONAL PROFILE

With over 10 years of experience in fluvial hydraulics, I have authored 20+ articles in SCI/Scopus indexed journals. My expertise lies in developing robust theoretical and analytical models with experimental validations, focusing on stage-discharge modeling and flow resistance. I also have field experience and specialized training in stream gauging and river hydraulics from IAHR-WMO-IAHS, France, enhancing my contributions to water resources engineering.

PERSONAL DETAILS

Date of Birth	: 04 August, 1990
Permanent Address	: Cuttack Chandi, Kanika Road, Cuttack (Below Royal Computers), P.O. Buxi Bazaar Odisha, India Pin-code:753001
Nationality	: Indian
State of Domicile	: Odisha
Languages Known	: English, Odia, Hindi
Belief	: Christianity
Marital Status	: Unmarried

EDUCATION

PhD in Civil Engineering

2014-2019

National Institute of Technology Rourkela, India

Thesis Title: Stage-Discharge Modelling of Meandering Compound Channels with Differential Roughness (Synopsis)

Supervisor: Dr Kishanjit Kumar Khatua, Professor

M.Tech. in Civil Engineering

2012-2014

National Institute of Technology Rourkela, India

Major: Water Resources Engineering

Thesis Title: Analysis of Flow along the Meander Path of a Highly Sinuous Rigid Channel

Supervisor: Dr Kishanjit Kumar Khatua, Professor

Bachelor of Technology

2008-2012

Biju Patnaik University of Technology, India

College of Engineering Bhubaneswar

Major: Civil Engineering

Thesis Title: Bhubaneswar-Puri Four Lanning-A Report on Construction of Flexible Pavement

Supervisor: Er Bhabani Shankar Sahani, Assistant Professor

Intermediate

2006-2008

Council of Higher Secondary Education, Odisha, India

Stewart Science College, Cuttack

Major: Science

Matriculation

Class of 2006

Council For The Indian School Certificate Examinations, India

Stewart School, Cuttack

Major: General

TEACHING EXPERIENCE

Assistant Professor, 12(4)

03 January 2020 - Till Date

Department of Civil Engineering,

School of Engineering and Technology,

CHRIST (Deemed to be University), Bangalore

Assistant Professor

15 July 2019 - 23 December 2019

Department of Civil Engineering,

MVJ College of Engineering, Bangalore

TEACHING INTEREST

- | | |
|--------------------------------------|-------------------------------|
| 1. Engineering Hydrology | 5. Well Hydraulics |
| 2. Fluid Mechanics | 6. Open Channel Flow |
| 3. Hydraulics and Hydraulic Machines | 7. Irrigation Engineering |
| 4. Ground Water Hydrology | 8. Water Resources Management |

RESEARCH INTEREST

- | | |
|---------------------------------|---------------------------|
| 1. Fluvial Hydraulics | 4. Hydrological Processes |
| 2. Experimental Fluid Mechanics | 5. Ground Water Hydrology |
| 3. Open Channel Hydraulics | 6. Remote Sensing and GIS |

SOFTWARE SKILLS

- | | |
|-----------------------|------------------------------|
| 1. AutoCAD | 7. ArcGIS |
| 2. GeneXPro Tools 5.0 | 8. ANSYS-Fluent |
| 3. LaTeX | 9. MIKE-FLOOD and MIKE-BASIN |
| 4. CCHE2D-Flow | 10. SPSS |
| 5. HEC-RAS | 11. R |
| 6. CES/ AES | 12. OpenFoam |

PATENTS AND COPYRIGHTS

1. **Patent:** **Published December 2022**

Intellectual Property India

Title of Invention: A Disease Vulnerability and Combat Mapping Model for Tribal Fortification Using Geospatial

Patent Number: 202231069849

Affiliation: Christ University

2. **Patent:** **Published October 2023**

Intellectual Property India

Title of Invention: A Process for Producing Bricks using Iron Ore Tailing and Waste Foundry Sand

Patent Number: 202341067676

Affiliation: Christ University

3. Design Patent: **Granted March 2024**

Intellectual Property India

Title of Invention: Manual Washing Machine (Certificate of Registration of Design)

Design Number: 382140-001

Date: 23 March 2023

Affiliation: Christ University

INTERNATIONAL CONFERENCES ATTENDED

Abroad

2. [River Flow 2018, Ninth International Conference on Fluvial Hydraulics](#), organized by IAHR Committee on Fluvial Hydraulics, Lyon-Villeurbanne, France (2018).
1. [International Symposium on Compound Channel Flows](#), organized by EPSRC Grant holders, Loughborough University, UK (2016).

Within India

11. [ICATMSE 2024, International Conference on Advanced Technology in Material Science and Engineering](#), organized by the Department of Civil Engineering, Siksha ‘O’ Anusandhan (Deemed to be University), Bhubaneswar, India (2024).
10. [One Day Symposium on “Earthquake Preparedness in India”](#), organized by the Department of Civil Engineering, CHRIST (Deemed to be University), Bangalore, India (2024).
9. [AIAET-2024, International Conference on AI Applications in Engineering and Technology](#), organized by the Department of Civil Engineering, CHRIST (Deemed to be University), Bangalore, India (2024).
8. [SMARTME-2023, 7th International Conference on Sustainable Materials for Advanced Research & Technologies](#), organized by REVA University, Bangalore, India (2023).
7. [ETETI 2023, International Conference on Emerging Trends in Engineering and Technology: Industry 4.0](#), organized by Indira Gandhi Institute of Technology, Sarang, India (2023).

6. *ICCRCBM, International Conference on Climate Resilient Construction and Building Materials*, organized by NITK Surathkal, India (2023).
5. *ICWRCOE'15, International Conference on Water Resources, Coastal and Ocean Engineering*, organized by NITK Surathkal, India (2015).
4. *HYDRO 2015, 20th International Conference on Hydraulics, Water Resources, and River Engineering*, organized by IIT Roorkee, India (2015).
3. *ICAET'14, International Conference on Advances in Engineering and Technology*, organized by Anjuman College of Engineering & Technology, Nagpur, India (2014).
2. *HYDRO 2014, 19th International Conference on Hydraulics, Water Resources, Coastal and Environmental Engineering*, organized by MANIT Bhopal, India (2014).
1. *IWRM, International Symposium on Integrated Water Resources Management*, organized by CWRDM, Kerala, India (2014).

WORKSHOPS AND TRAININGS UNDERTAKEN

Abroad

2. Attended *Master Class on River Morphology and Morphodynamics* at [IRSTEA](#) (Lyon-Villeurbanne Centre of the National Research Institute of Science and Technology for Environment and Agriculture), France organised by [IAHR](#) on 04 September 2018.
1. Attended three-days *4th IAHR-WMO-IAHS Training Course on Stream gauging* at France from 02 to 03 September 2018.

Within India

13. Attended workshop on *Leadership Workshop*, organized by the CHRIST University Higher Education Leadership Institute (CUHELI), CHRIST (Deemed to be University), Bangalore, during 03 to 04 November 2023
12. Attended workshop on *New Trends in Transportation and Geotechnical Engineering*, Department of Civil Engineering, School of Engineering and Technology, CHRIST (Deemed to be University), Bangalore
11. Attended symposium on “*Rivers-2016*”, organized by the Department of Civil Engineering, [NIT Rourkela](#), during February 2016
10. Short term course on “*Flow measurements and modelling in Water Resources Engineering*”, organized by the Department of Civil Engineering, [NIT Rourkela](#), during September 2014.
9. Applied training program on “*MIKE-FLOOD & MIKE-BASIN*”, organized by the Department of Civil Engineering, [NIT Rourkela](#), during January 2014.
8. Seminar on “*Embedded Electronics System for Water Resources Engineering*”, organized jointly by Department of Civil Engineering, [NIT Rourkela](#) and Water Resources Engineering Department (Govt. of Odisha, India), during March 2013.

7. Short term course on “*Advances in Water Resources Engineering*”, organized by Department of Civil Engineering, [NIT Rourkela](#), during May 2012.
6. Practical training under M/s. Bhubaneswar Expressways Pvt. Limited with supervision of [M/s. Arkitechno Consultant \(I\) Pvt. Limited](#) for the project work of *Bhubaneswar Puri Four Lanning Works* during April-May 2012.
5. Practical training under SCB Medical (R&B), Section No. III, Office of the Executive Engineer, Cuttack during August 2011.
4. Internship project on “*Building Construction*” by [ARSS Developers Limited](#), Bhubaneswar during June-July 2011.
3. Practical training at [GMR Kamalanga Thermal Power Project](#) during April-May 2011.
2. Training Programme on “*STAAD.Pro*” conducted by [OCAC](#), Technical Directorate of Information Technology Department, Govt. of Odisha, India.
1. Training Programme on “*AutoCAD 2D Drafting, Solid Modeling & AutoLISP Programming*” conducted by [OCAC](#), Technical Directorate of Information Technology Department, Govt. of Odisha, India.

MASSIVE OPEN ONLINE COURSES

1. *Introduction to Tableau*, Coursera
2. *AI for Everyone*, Coursera
3. *Intro to AR/VR/MR/XR: Technologies, Applications and Issues*, Coursera
4. *Linear Regression and Modeling*, Coursera
5. *Data Visualization in Tableau: Create Dashboards and Stories*, Coursera
6. *Create Charts and Dashboards Using Microsoft Excel*, Coursera
7. *Introduction to Data Analysis using Microsoft Excel*, Coursera
8. *Write Smarter with Overleaf and LaTeX*, Coursera
9. *Energy and Environment*, Coursera
10. *Population, Food, and Soil*, Coursera
11. *Environmental Science*, Coursera
12. *Air Pollution – A Global Threat to Our Health*, Coursera
13. *Create Environmental Awareness Content with Canva*, Coursera

ONLINE WEBINAR ATTENDED

10. [*Advanced Design & Application of Pressure Sewer Systems*](#), 16 March 2021, organised by Environment One Corporation
9. [*How Optical Fiber Technology Makes Life Easier?*](#), 10 February 2021, organised by IEEE CHRIST SIGHT Group, School of Engineering and Technology, CHRIST (Deemed to be University), Bangalore.
8. [*Informing catchment management decisions based on ecosystem services modelling in the Himalayas*](#), 23 July 2020, organised by India-UK Water Centre, Ministry of Earth Science, Government of India.
7. [*How to Write a Good Paper: An Editor's Perspective*](#), 16 July 2020, organised by International Association for Hydro-Environment Engineering and Research (IAHR).
6. [*Understanding River System and Pollution Management: A case study of Water Quality of the Ganga River around Patna due to Lockdown, a natural remedy?*](#), 09 July 2020, organised by India-UK Water Centre, Ministry of Earth Science, Government of India.
5. [*Construction Technology in Data Driven Era - The Next Frontier*](#), 08 July 2020, organised by Department of Civil Engineering, Francis Xavier Engineering College, Tirunelveli
4. [*Hydraulic Model Studies in Coastal Engineering Development Projects*](#), 04 July 2020, jointly hosted by the Department of Civil Engineering, JSS Academy of Technical Education, Bengaluru in association with ACCE, Bangalore Center and Ramco Cements Ltd.
3. [*Global Tech Talk on "Technology and Bussiness in Current Scenario"*](#), 26 June 2020, jointly hosted by the Department of Computer Science and Engineering, School of Engineering and Technology, CHRIST (Deemed to be University), Bangalore

2. [*How to get Research Grants from UGC, AICTE*](#), 09 June 2020, jointly hosted by Mar Baselios Institute of Technology and Science, Kothamangalam; and School of Management and Business Studies, Mahatma Gandhi University, Kottayam
1. [*Biodiversity*](#), 06 June 2020, conducted on the occasion of World Environment Day by the Department of Civil Engineering, School of Engineering and Technology, CHRIST (Deemed to be University), Bangalore

FDPS / WORKSHOPS ATTENDED

18. *Faculty Development Program on Mastering Innovative Online Course Development*, 08–12 January 2024, Centre for Digital Learning (CDL), CHRIST (Deemed to be University), Bangalore.
17. *Faculty Development Program (FDP-I) 2023*, 26 June – 01 July 2023, CEDBEC and SDC, CHRIST (Deemed to be University), Bangalore.
16. *Hands-on Faculty Development Program on UI/UX*, 13–15 June 2023, L&T EduTech.
15. *Quality Improvement Program on Applications of Civil Engineering using MATLAB*, 26 April, 28 April, and 03 May 2023, CHRIST (Deemed to be University), Bangalore.
14. *Faculty Development Program on Curriculum Design and Revision (OBE)*, 05–09 December 2022, SDC, CHRIST (Deemed to be University), Bangalore.
13. *Faculty Development Program (FDP-I) 2022*, 06–11 July 2022, CHRIST (Deemed to be University), Bangalore.
12. *Faculty Development Program (FDP-I) 2021*, 16–21 June 2021, CHRIST (Deemed to be University), Bangalore.
11. [*On-line Hands-on Workshop on Timetable Management*](#), 27 March 2021, organized by Nodal Office, CHRIST (Deemed to be University), Bangalore
10. [*3 days Course on ArcGIS Pro: Essential Workflows*](#), from 30 March to 01 April 2021, organized by ESRI, India
9. [*6-day Orientation Program*](#), from 02 to 07 November 2020, organized by Staff Development College, CHRIST (Deemed to be University), Bangalore
8. [*Sustainability Aspects and Recent Trends in Civil Engineering - The Future Scenario*](#), from 14 to 18 July 2020, organized by BMS Institute of Technology and Management, Bengaluru in association with Paradigm Environmental Strategies (P) Ltd, Bengaluru
7. [*SIG Workshop: OpenFlows - Overview of Hydraulic Transient Analysis with HAMMER*](#), 10 July 2020, organized by Bentley Institute
6. [*Innovation, Creativity and Entrepreneurship - ICE2020*](#), from 06 to 10 July 2020, organized by Satya Institute of Technology and Management, Vizianagaram in association with NRDC, India

5. *Microsoft Teams*, 09 July 2020, organised by 30M Training, Media Studies & IT Services, CHRIST (Deemed to be University), Bangalore
4. *Digital Teaching Techniques*, from 29 June to 04 July 2020 organized by ICT Academy
3. *Statistical Package for Social Science (SPSS): Fundamentals & Regression*, from 23 to 27 June 2020 by EdBhoomi
2. *SIG Workshop: OpenFlows - Creating District Metered Areas to Better Manage Water Systems*, 18 June 2020, organized by Bentley Institute
1. *5-day Quality Improvement Program on Online Teaching*, from 22 to 26 April 2020, organized by Academic Staff College, Media Studies & IT Services, CHRIST (Deemed to be University), Bangalore

PROGRAMMES ORGANIZED

Faculty Development Programme / Workshops / Conferences

2. *AIAET-2024, International Conference on AI Applications in Engineering and Technology*, from 06 to 07 March 2024, organized by the Department of Civil Engineering, CHRIST (Deemed to be University), Bangalore, India. (2024)
1. *Applications of Remote Sensing and GIS in Civil Engineering*, from 19 to 21 December 2019, organized by the Department of Civil Engineering, MVJ College of Engineering, Bangalore.

Seminars / Webinars

11. *Artificial Intelligence in Civil Engineering Applications*, on 09 February 2021, organized by the Department of Civil Engineering, School of Engineering and Technology, CHRIST (Deemed to be University), Bangalore.
10. *Specialty Structures in Steel*, on 12 November 2020, organized by the Department of Civil Engineering, School of Engineering and Technology, CHRIST (Deemed to be University), Bangalore.
9. *Overview of Construction of Airport at Hyderabad*, on 04 November 2020, organized by the Department of Civil Engineering, School of Engineering and Technology, CHRIST (Deemed to be University), Bangalore.
8. *Recent Developments in Sustainable Soil Stabilization*, on 21 October 2020, organized by the Department of Civil Engineering, School of Engineering and Technology, CHRIST (Deemed to be University), Bangalore.
7. *Bamboo - A Sustainable Building Material*, on 16 October 2020, organized by the Department of Civil Engineering, School of Engineering and Technology, CHRIST (Deemed to be University), Bangalore.
6. *Introduction to Earthquake Engineering*, on 14 October 2020, organized by the Department of Civil Engineering, School of Engineering and Technology, CHRIST (Deemed to be University), Bangalore.

5. *Sustainable Advances and Requirements of Research in Concrete Technology in the Era of the 21st Century*, on 10 October 2020, organized by the Department of Civil Engineering, School of Engineering and Technology, CHRIST (Deemed to be University), Bangalore.
4. *Being an Impactful Engineer in the 21st Century*, on 05 October 2020, organized by the Department of Civil Engineering, School of Engineering and Technology, CHRIST (Deemed to be University), Bangalore.
3. *Blast Resistant Concrete*, on 18 September 2020, organized by the Department of Civil Engineering, School of Engineering and Technology, CHRIST (Deemed to be University), Bangalore.
2. *Self-Sensing and Magnetic Concrete for Power Transfer*, on 04 September 2020, organized by the Department of Civil Engineering, School of Engineering and Technology, CHRIST (Deemed to be University), Bangalore.
1. *AI, Deep Learning and Data Analytics as applicable to Civil Engineering*, on 14 August 2020, organized by the Department of Civil Engineering, School of Engineering and Technology, CHRIST (Deemed to be University), Bangalore.

MEMBER OF JOURNAL EDITORIAL BOARDS

1. *Insight - Civil Engineering*, PiscoMed Publishing
2. *Journal of Water Resources and Ocean Science*, Science Publishing Group

REVIEWER OF JOURNALS

1. *Advances of Civil Engineering*, Hindawi (Scopus & SCI)
2. *Canadian Journal of Civil Engineering*, NRC Research Press (Scopus & SCI)
3. *Open Geosciences*, De Gruyter (Scopus & SCI)
4. *Advances in Science, Technology and Engineering Systems Journal* (Scopus)
5. *ISH Journal of Hydraulic Engineering*, Taylor and Francis (Scopus)
6. *Asian Journal of Physical and Chemical Sciences*, Science Domain International

PROFESSIONAL INVITATION

1. Invited as Resource Person for a 5-day Faculty Development Program on “*FDP II - AR/VR/MR*”, organized by the Department of Civil Engineering, School of Engineering and Technology, CHRIST (Deemed to be University), Bangalore, held from 27 to 31 May 2024.
2. Invited as Resource Person for a talk on “*AI Tools for Effective Engagement*” in the *7-Day FDP on Navigating the Teaching-Learning Environments in HEIs*, organized by the School of Social Sciences, CHRIST (Deemed to be University), Bangalore, held from 01 to 07 April 2024.

3. Invited as Trainer for “*Formative and Summative Assessment*” in the training program “*Scaffolding Adult Learning Through Learner-Centered Approach*”, organized by the Teaching Learning Enhancement Cell (TLEC), CHRIST (Deemed to be University), Bangalore, held on 22 February 2024.
4. Invited as Trainer for “*Formative and Summative Assessment*” in the training program “*Scaffolding Adult Learning Through Learner-Centered Approach*”, organized by the Teaching Learning Enhancement Cell (TLEC), CHRIST (Deemed to be University), Bangalore, held on 26 February 2024.
5. Invited as Guest Speaker to deliver a talk on “*Efficiency of Rainwater Harvesting Technique in Lowering Effective Runoff in Urban Cities*”, organized by the Department of Civil Engineering, Abacus Institute of Engineering & Management, Hooghly, West Bengal, on 04 November 2023.
6. Invited as Reviewer for *IACESD-2023*, International Conference on Interdisciplinary Approaches in Civil Engineering for Sustainable Development, organized by Jyothi Institute of Technology, Bangalore, India, during 07–08 July 2023.
7. Invited as Resource Person to deliver a talk at the *National Workshop on Sustainability Materials and Environmental Engineering*, organized by the Department of Civil Engineering, CHRIST (Deemed to be University), Bangalore, during 09–10 April 2021.
8. Invited as a Member of the CHRIST (Deemed to be University), *Civil Engineering Board of Studies 2021*.
9. Invited as *Reviewer for HYDRO-2020*, 25th International Conference on Hydraulics, Water Resources and Coastal Engineering, organized by the Department of Civil Engineering, NIT Rourkela, India, during 26–28 March 2021.
10. Invited as *Session Chair for HYDRO-2020*, 25th International Conference on Hydraulics, Water Resources and Coastal Engineering, organized by the Department of Civil Engineering, NIT Rourkela, India, during 26–28 March 2021.

PROFESSIONAL MEMBERSHIP

1. The Institution of Engineers (India), IEI	(Associate Member)	AM-3072021
2. Indian Society of Remote Sensing, ISRS	(Life Member)	L-5487
3. Association of Consulting Civil Engineers (India), ACCE	(Life Member)	6464-L
4. American Society of Civil Engineers, ASCE (EWRI)	(Affiliate Member)	11967808
5. Int. Ass. for Hydro-Env. Engg, and Research, IAHR	(Young Professional)	80155
6. Int. Ass. of Hydrological Sci., IAHS	(Member)	18096
7. International Association of Engineers, IAENG	(Member)	259215
8. Institute of Research Engineers and Doctors (the IRED)	(Senior Member)	SNM2020058

AWARDS

1. Received Award as Mentor for Participation in *I-cu Contest of 2023* organised by **L&T Constructions, Water and Effluent Treatment, India** on 08 September 2023.
2. Received Travel Grant from **CSIR-HRDG** to attend and present a paper at *River Flow 2018, Ninth International Conference on Fluvial Hydraulics* organised by **IAHR** Committee on Fluvial Hydraulics at Lyon-Villeurbanne, France from 05 to 08 September 2018.
3. Exchange programme under UGC Thematic Partnerships - **UKIERI** 2014 with University of Leeds, UK during January 2016.
Also had an opportunity to visit two other universities; **Loughborough University** and **De Montfort University** during this period.
4. Received **MHRD** (Govt. of India) scholarship for pursuing PhD at **NIT Rourkela**
5. Certified for meritorious position in M.Tech. (Water Resources Engineering) at **NIT Rourkela**
6. Received **MHRD** (Govt. of India) scholarship for pursuing M.Tech. degree at **NIT Rourkela**
7. Qualified **GATE**, 2013 (CE)

PROFILES

	<i>h</i> -index	Citations
1. Scopus (57193627438)	8	22
2. ResearchGate (Arpan Pradhan)	9	44
3. ResearcherID-Publons (V-6822-2017)	8	24
4. Google Scholar (Arpan Pradhan)	9	47

6. VIDWAN (116809)	-	-

REFERENCES

1. **Dr Kishanjit Kumar Khatua** (*PhD Supervisor*)
Professor,
Department of Civil Engineering
National Institute of Technology Rourkela, India
Phone: 0661-246-2307
e-mail: kkkhatua@nitrkl.ac.in
2. **Dr Kahnu Charan Patra** (*Chairman, Doctoral Scrutiny Committee*)
Professor (HAG),
Department of Civil Engineering
National Institute of Technology Rourkela, India
Phone: 0661-246-2317
e-mail: kcpatra@nitrkl.ac.in

3. **Dr C S P Ojha** (*PhD Examiner*)
Institute Chair Professor (HAG),
Department of Civil Engineering
Indian Institute of Technology, Roorkee, India

Phone: 0133-228-5494
e-mail: cojhafce@iitr.ernet.in

4. **Dr Andrew P. Sleigh** (*PhD Examiner*)
Senior Lecturer,
School of Civil Engineering
University of Leeds, Leeds, UK

Phone: +44(0)113-343-2398
e-mail: p.a.sleigh@leeds.ac.uk

Yours sincerely,

Dr Arpan Pradhan
